Thanks – and that was my recollection about RCRA’s application as well

We have not coordinated with OECA or DOJ yet. **Ex. 5 AC/AWP/DP** think the messaging to Charlie and CBD is important, which we can discuss with everyone on Monday.

Thanks – has ORC started coordinating with OECA and DOJ on the two issues you raised?

Thanks,

Can you give me a bit more background on the purpose of her call with CBDs counsel and what ORC needs from SEMD?

Hi Ylan

Enrique should be in that conversation as well – so I am copying him here. 4-5 pm Monday seems to work on his and my calendar. Late day today also could work.

Thanks

John

Subject: Internal Meeting re: Deepwater Ocean Disposal Sites and Citizen Suit

Sylvia and John,

Thomas suggested having an internal meeting prior to meeting with Charlie Tebbett to discuss CBD's citizen suit regarding the deepwater ocean disposal sites. Please let me know if you would like to meet internally before we meet with Charlie, and I will send out a calendar invite. It looks like everyone is available on Monday, July 12, during the following times: 10-11am, 2:30-3:30pm, and 4-5pm.

Thank you,

Ylan
